

Jintana Thanalongkorn Foundation

Mission and Vision

Our company prioritizes equality in education, especially individuals who lack the opportunity to obtain an educational degree. We provide scholarships from elementary to university level as they are the future of our society. This also applies to disabled individuals. The main purpose is that we would like to improve our society’s well-being, starting with our children and employees. Jintana Thanalongkorn Foundation was later established on July 27th, 2009, with the main purposes as followings:

- 1. Promoting and supporting educational activities;
- 2. Subsidizing scholarships for individuals with financial problems;
- 3. Operating as a non-profit organization;
- 4. Coordinating with other non-profit organizations to drive the society forward;
- 5. Promising not to be involved in any politic activities

Jintana Thanalongkorn Foundation has started providing scholarships since 2010. In year 2016, Jintana Thanalongkorn Foundation has been awarded as the 928th best non-profit organization. This allows Jintana Thanalongkorn Foundation to issue invoice for tax deduction legally.
